My big dinosaur explorer book

Color, solve, cut out and play together.

This book belongs to:

---

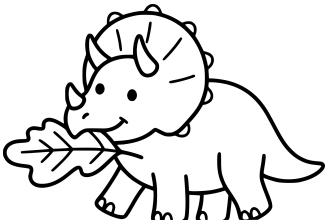
12 pages · 5–7 years

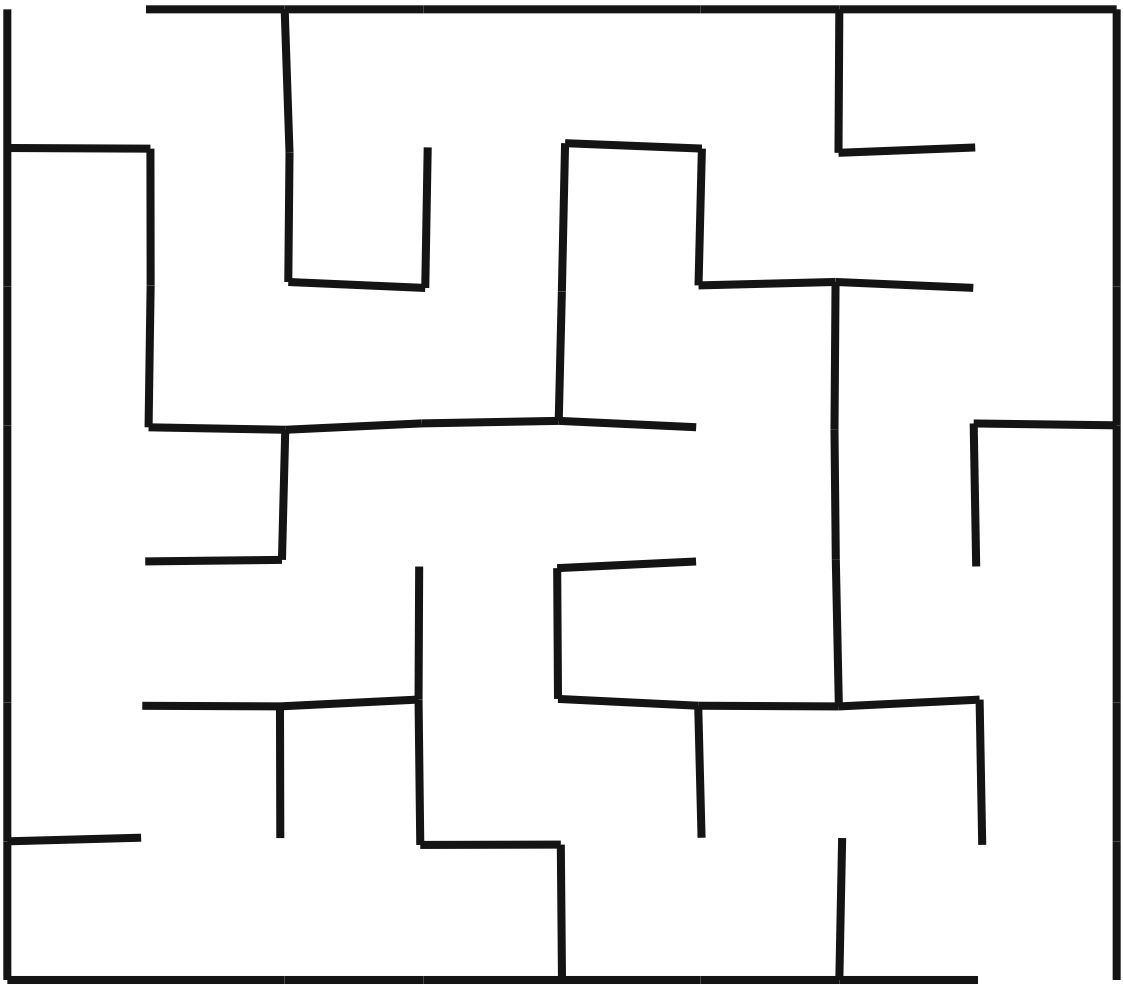
Triceratops rustles through the ferns

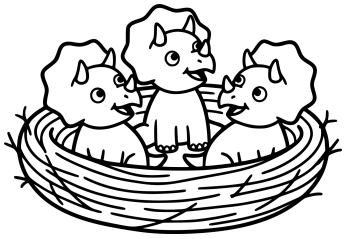
What colors will your dinosaur wear today?

Dino Mom wants to get home!

The babies are hungry! Show Dino Mom the way back to her nest.







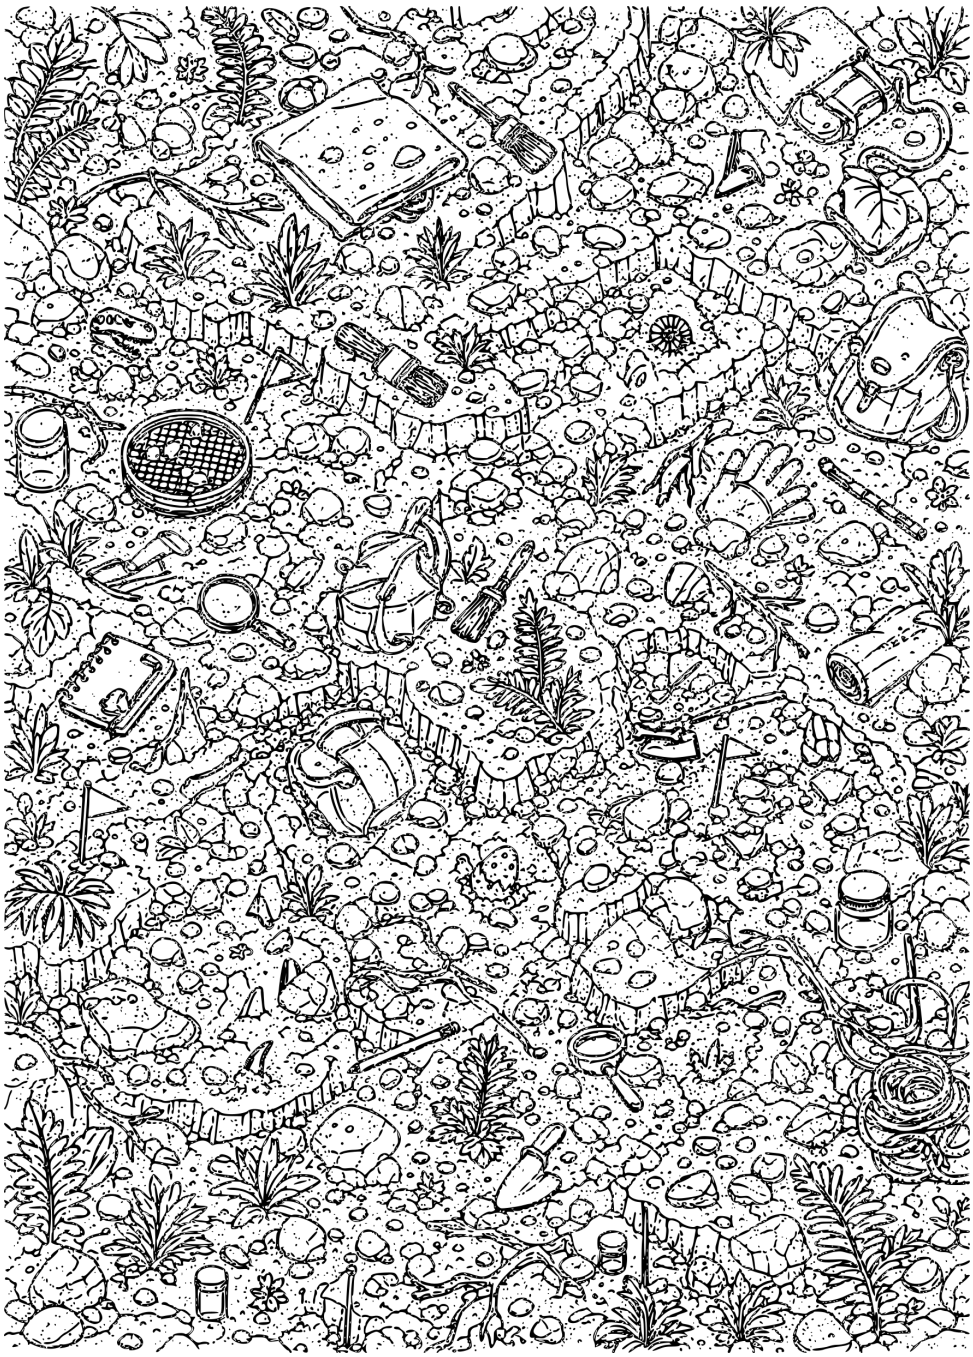
Fossil discovery!

Digging time! Find these three treasures in the picture and circle them.

Bone

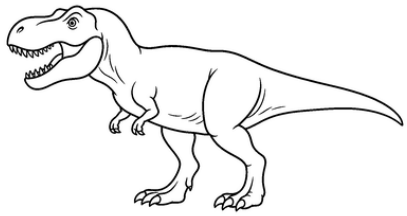
Tooth

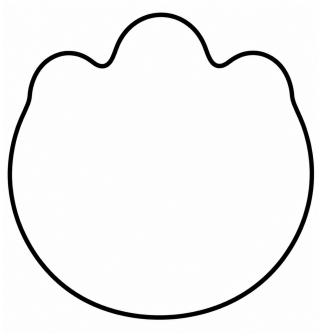
Ammonite

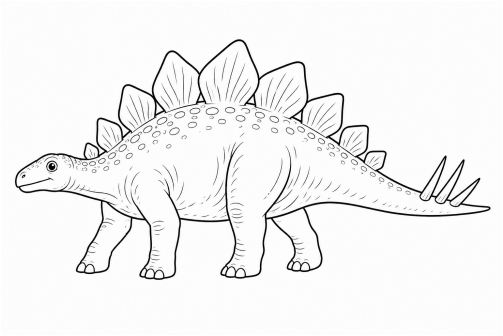


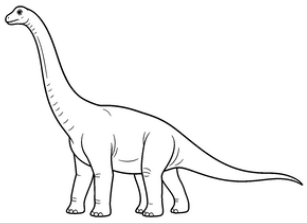
Whose tracks are these?

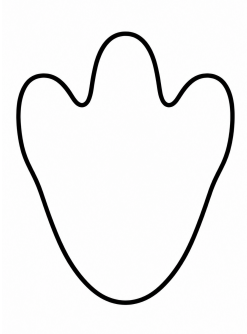
Match each dinosaur to its track. Then stomp like a dinosaur!









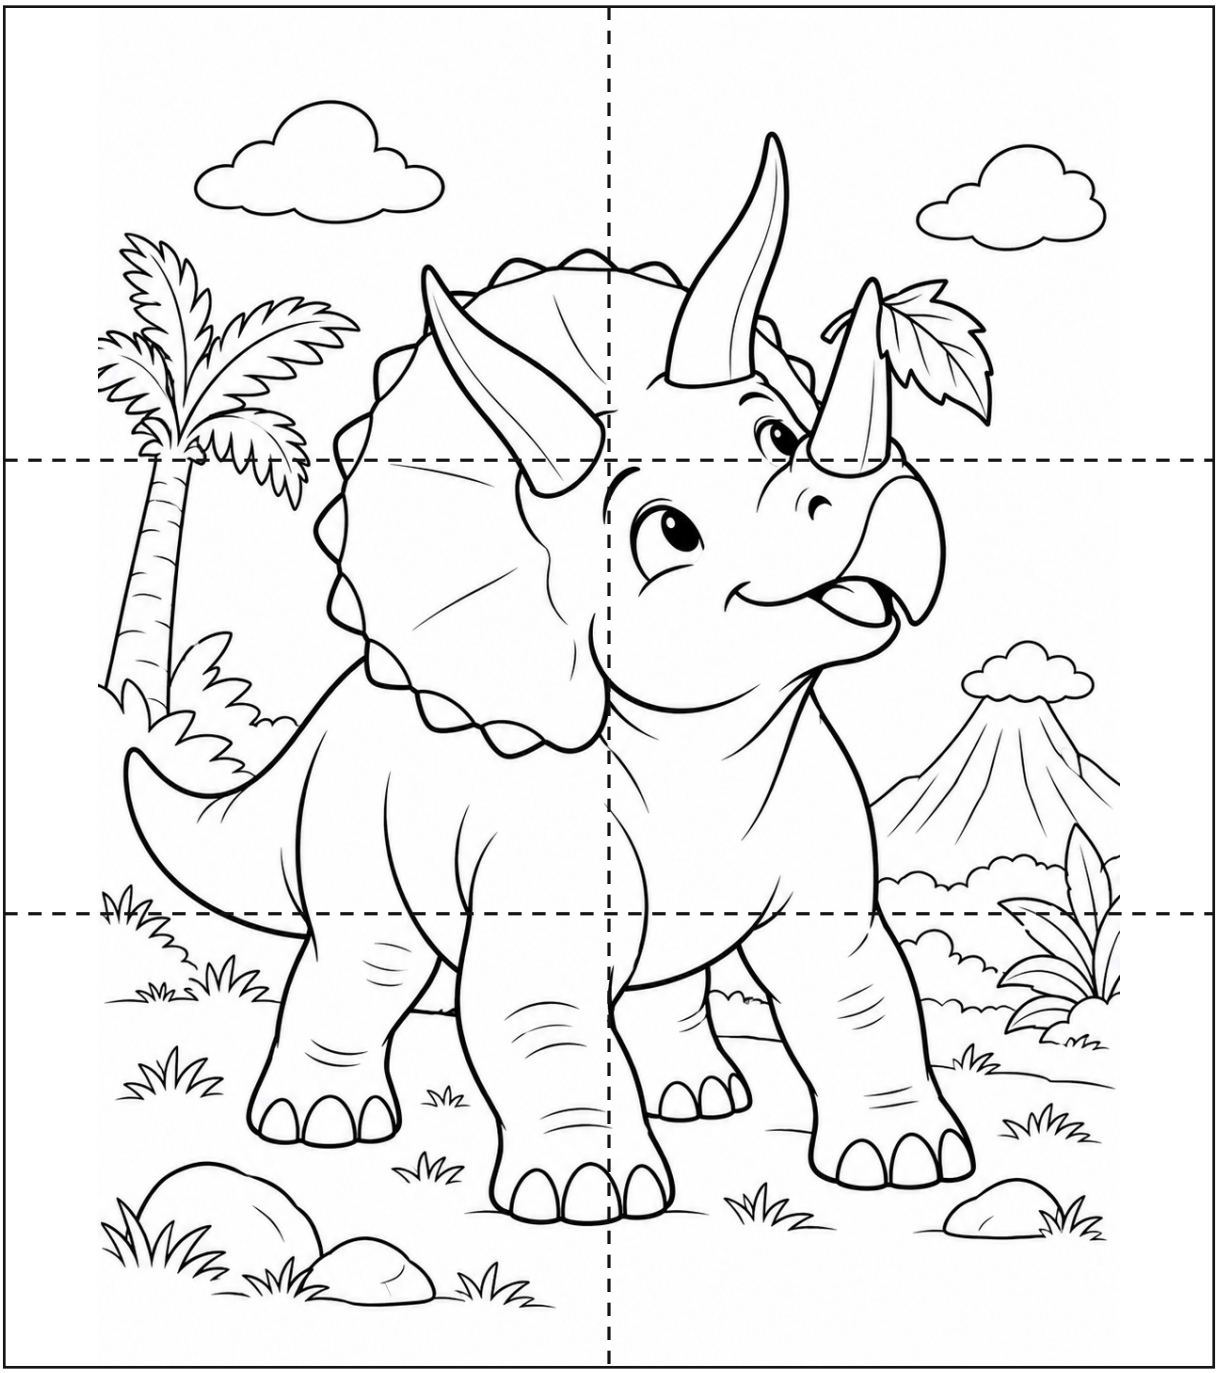


Spinosaurus meets the leaping fish

What colors will your dinosaur wear today?

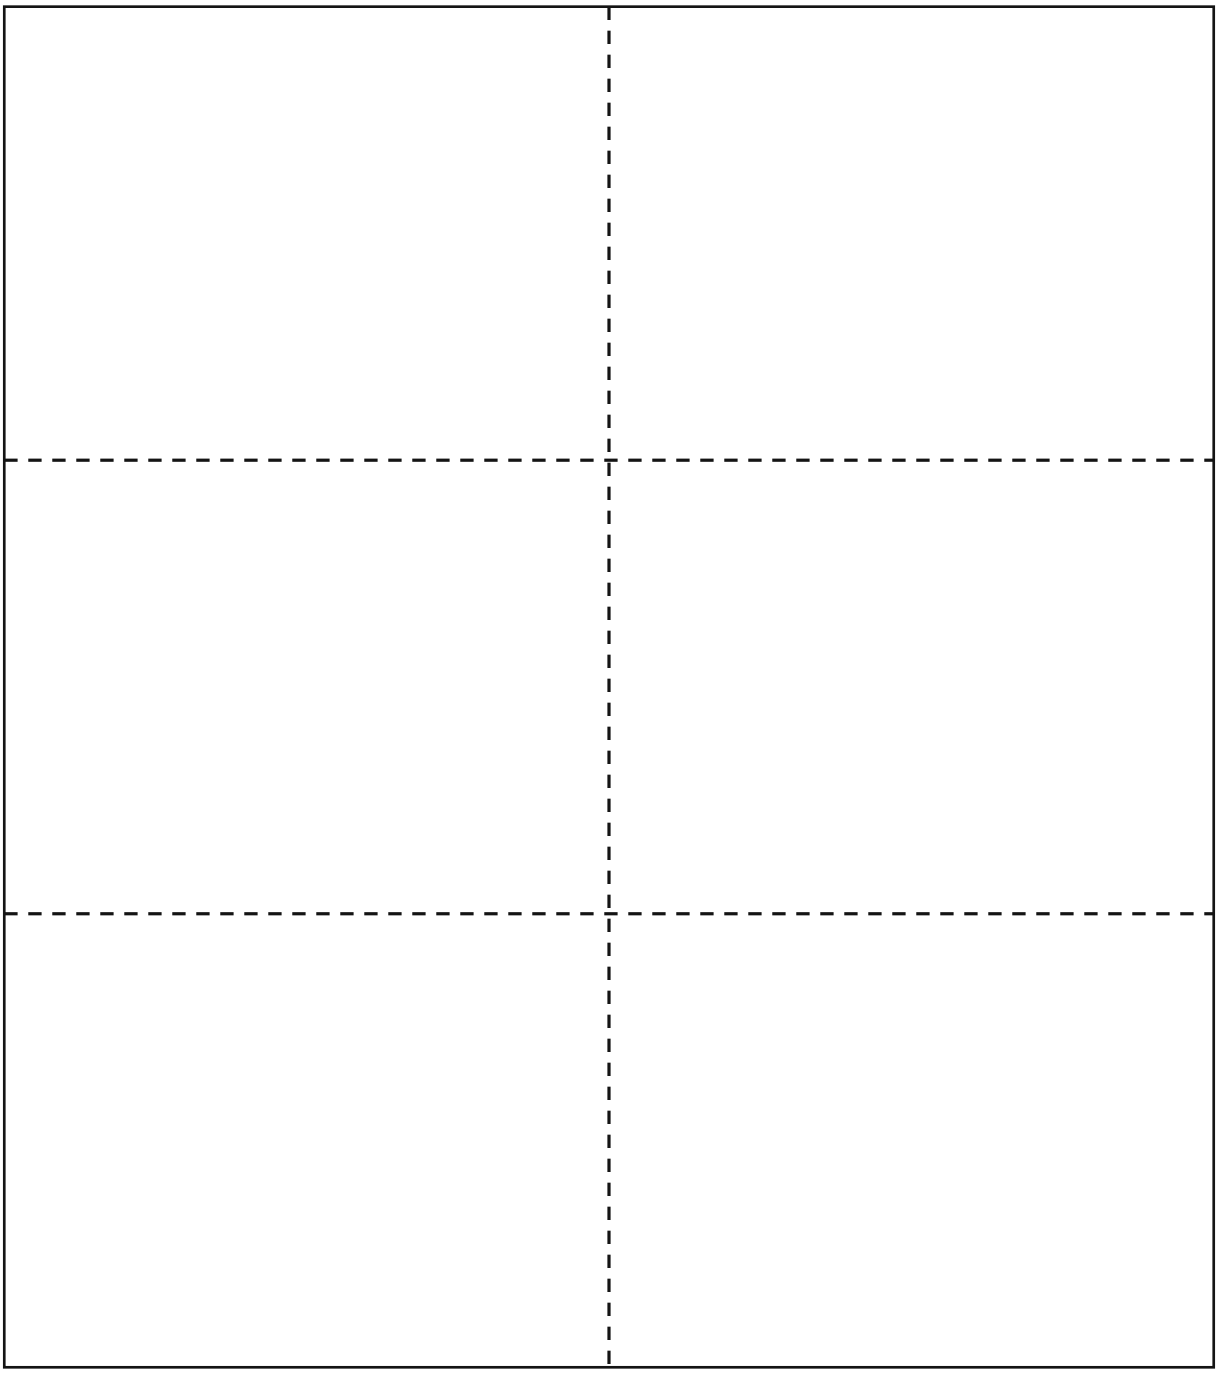
Snip, snap, dinosaur puzzle!

Color first, then cut with help. Six pieces fit on the next page.



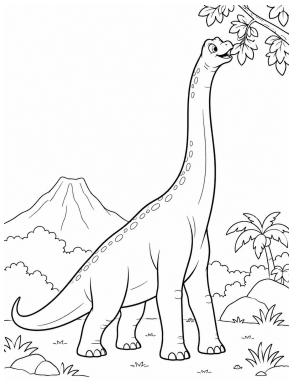
Build your puzzle here

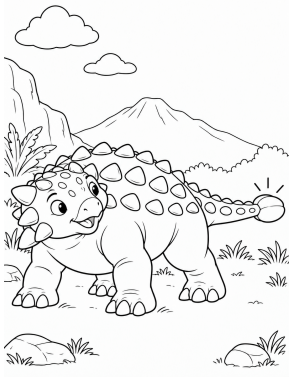
Put your six-piece picture back together. You can glue it down, too.



Dinosaur pairs to cut out

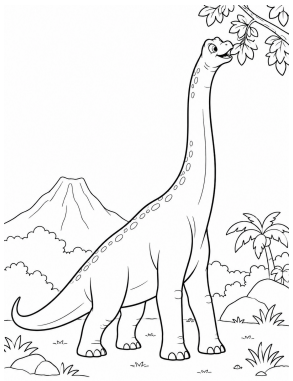
Cut out both card pages. Can you find the six matching dinosaur pairs?

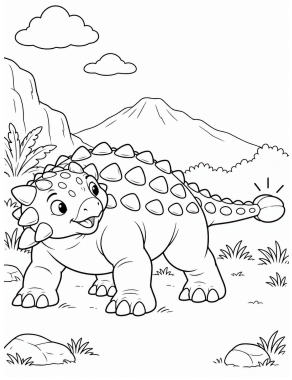




More dinosaur pairs

Cut out both card pages. Can you find the six matching dinosaur pairs?





Your dinosaur adventure begins here

A dinosaur, a hideout or an enormous mud pool: what happens in your prehistoric world?

My dinosaur explorer pass
